Wahlstation oder Rechtsanwaltsstation in Irland

Tipp McKnight Solicitors was set up in 2013 by two partners who previously worked for many years in one of Ireland's largest law firm.

The aim of the firm is to supply Business Law services to Irish and international clients. The firm acts for a number of well-known international companies. We have a policy of welcoming suitably qualified German speaking Trainee Lawyers ("Referendare") who are fluent in English in order to allow them to experience working in the Irish legal system. Through the qualification of Ursula Tipp as German "Rechtsanwalt" and Irish solicitor you can use this experience as "Wahlstation" as well as "Pflichtstation".

If you are a motivated German „Rechtsreferendar“ or „Rechtsreferendarin“ and would like to work with us, please send your completed application to:
